

October 2016

Do you find that your guests unplug lamps and other in-room equipment in order to charge their personal mobile devices ?

We are constantly striving to supply our hotel guests with better service. Today the big question is:

WHERE CAN I CHARGE MY PHONE OR TABLET ?

The Carper Company has a solution for your dilemma. We provide several telephone options that offer USB charging directly on the phones themselves.

These phones all have optional built-in USB charging ports:

- Compu TTY ADA Equipment
- Bittel Americas Phones
- Cetus Scitex Phones
- Cetus Teledex Phones
- Cetus TeleMatrix Phones
- Vtech Phones
- Clear One Conference phones
- Konftel Conference phones
- Polycom Conference phones
- Jabra Headsets
- JPL Headsets
- Plantronics Headsets
- VXi Headsets
- Custom Faceplates for all models of phones
