Aegis® Series

From the lobby, to the hotel guestroom and points in between, popular Aegis Series telephones have an established reputation for performance, quality, and value in the marketplace. Available in single and 2-line speakerphone and feature phone models with 0, 3, 5, or 10 speed dial keys, Aegis Series telephones are preferred by major hotel chains, hotel management companies, and owners. Choose custom telephone colors on any Aegis Series telephone set model with your minimum purchase of at least 500 units, a 75% non-refundable deposit, and minimum 8 week delivery schedule.
