CORDLESS

Bittel's 38 DECT Cordless series is available in single- and two-line configurations, speakerphone, up to 10 programmable guest service keys and optional clock/caller ID display.

Built to the highest quality control standards in the industry in our own ISO 9001 certified factories, Bittel phones deliver outstanding value and quality, and are engineered for the demanding hospitality environment.

Bittel 38 Series Cordless Phones Offer:

DECT 6.0 Technology – for crystal clear performance

Lifeline Support – base functions in speakerphone mode in the event of a power failure

Multiple Handset Support – up to four handsets per base

Guest Service Keys – up to ten programmable keys

Labelled Function Keys – Better ease-of-use, and reduces faceplate clutter

Full 5-Year Warranty – Covers against defects and malfunctions

Clean Design Appearance – Styled to fit with any room decor
