

# Trimline

*Perfect for  
Bathrooms and  
Public Spaces*

## Compact design in matching iPhone style.

Teledex iPhone Trimline phones tuck in nicely just about anywhere. They're perfect for mounting on bathroom walls, or on hall tables in public spaces. With elegant lines and a sculpted design, Teledex iPhone Trimline is perfect for virtually any room decor or design.

Available in single-line and two-line configurations, with or without a bright red message waiting indicator, to suit your needs. Like all Teledex telephones, iPhone Trimline models are built to exacting standards, and provide the best build quality available.

Part of the Teledex iPhone family of solutions, with iPhone Trimline you can present a consistent look and feel throughout your property.
