

OPAL 1000 SERIES

SINGLE LINE GUESTROOM TELEPHONE DESIGNED WITH THE WORLD IN MIND

- Large printable faceplate area for important dialing and contact information
- Easy-access data port for laptop computer connection
- Sleek Euro design complements any room decor
- Extra-bright message waiting indicator
- Backed by the exclusive Teledex limited lifetime warranty

The Teledex Opal Series combines stylish international design with legendary Teledex reliability, in a package that helps any property put its best foot forward. The single-line Opal 1000 Series provides up to ten guest service buttons for easy access to commonly-used hotel services. An available high-perform-

ance speakerphone and bright message-waiting indicator provide your guests with the amenities they expect. And the exclusive Teledex Limited Lifetime Warranty protects you for as long as you own your Teledex telephones.
