

Diamond+L2S Custom Faceplate Worksheet

Faceplate Part Number 601-1465-00

The diagram shows a telephone faceplate with the following layout:

- Row 1: Five buttons numbered 1 through 5.
- Row 2: Three buttons labeled 1, 2 (ABC), and 3 (DEF). To the right is a 4x4 grid of dots labeled MESSAGE WAITING.
- Row 3: Three buttons labeled 4 (GHI), 5 (JKL), and 6 (MNO). To the right is a vertical bar labeled LINE 1.
- Row 4: Three buttons labeled 7 (PRS), 8 (TUV), and 9 (WXY). To the right is a vertical bar labeled LINE 2.
- Row 5: Three buttons: a star symbol, 0 (OPER), and a hash symbol (#). To the right is a solid grey square labeled HOLD.
- Row 6: Five buttons numbered 6 through 10.
- Row 7: Five buttons numbered 11, followed by four empty boxes.
- Below the bottom row are labels: HANDSET VOLUME (under button 11), REDIAL (under empty box 1), MUTE (under empty box 2), and SPEAKER PHONE (under empty box 3).
